

I ove godine, kao i svih prethodnih godina, sudjelovali smo na natjecanju [World Maths Day 2021](#). Na ovogodišnjoj manifestaciji matematičkog znanja sudjelovalo je oko 9000 škola iz 127 država s oko 6 miliona učenika, a održano je 5. svibnja 2021. Zbog epidemioloških razloga učenici su se natjecali od kuće, te se ovim putem zahvaljujemo roditeljima koji su to omogućili.
